### ○ Warehousing & Logistics – *Adapting to Your Evolving Needs*

**Warehousing and Inventory Management** offered in Stamford and Hartford will keep costs to a minimum. With **Avant Facilities and Inventory Systems**, you can secure space to fill your current needs, and Avant's flexible options work with you as your growing business needs increase.

**Inventory Management** is included in all projects. With our exclusive software, get real time inventory amounts, alerts when stock levels are low and receive usage reporting.

### ○ Staff Leasing – *An Effective, Cost-Cutting Tool*

**Avant Staff Leasing and Temporary Staffing Service** can help meet your short and long term staffing needs, from drivers to mail-room personnel. Leasing from our carefully recruited, screened and trained staff streamlines employee expenses, such as health insurance, worker's compensation, payroll and tax payments. We act as a trusted human resources partner for your business.

### ○ Facilities Management – *Unparalleled Service*

In addition to Staff Leasing, Avant offers turnkey service for **On-Site Management**. We provide the highest level of service in the industry for operation of your mailroom and transportation departments.

### ○ USPS Mail Pick Up & Delivery – *Prompt and Professional*

**Avant Pick Up and Delivery Systems** helps ensure that you will get your first class mail, on your terms. With years of experience working with the United States Post Office, Avant gets your mail to you, when you want it, saving your business time, energy and worry.

### ○ Messenger Control Centers – *Gatekeeper for Your Deliveries*

The best way to keep your building and tenants safe is to control who and what you let into your building. Serving as gate keepers of your inbound and outbound couriered packages and deliveries, **Avant Messenger Control Center Service** strengthens your building's security, with fully trained staff and X-Ray imaging technology, and provides concierge level service to your tenants.

## ● Routed Distribution & Time Sensitive Delivery – *Meeting Your Delivery Needs, Now*

Covering Business to Business as well as Business to Consumer, **Avant Routed Distribution** covers it all. Bulk pickup at your facilities starts the process. Staging plans are designed to fit your needs with distribution to retail, residential, commercial and more. Avant's solutions not only save money, but give you the time to spend growing other areas of your business.

No matter the size, weight, or urgency of your packages, the skilled professionals in **Avant Transportation Service** Division delivers! With an unparalleled, on-time delivery record, our **On-Demand Vehicle Service Fleet** can deliver any package, local or long distance, 24-hours a day, 7-days a week. All packages are insured against damage, theft and loss.

## ● Accountability/Tracking Technology – *Keeping You Current*

Know who, what, when and where your packages are in real time, all the time! **Avant Business Service's** fully trained messengers are equipped with proprietary software that allows you to track your packages at any time. Know when your package was picked up, when it was delivered, who signed for it...all the details you need to know, now!

For on-line demonstration of this new, ground breaking technology that delivers peace of mind for you and your business, please call 212 687 5145 ext 1265.

## ● About Avant Business Services

Established in 1924, Avant Business Services is a family owned and operated service and logistics company. Starting out with only a single office and a handful of staff, we now operate 10 offices throughout New York City and Connecticut. With a dedicated staff of nearly 400 people, Avant ranks among the region's largest, privately held, time sensitive delivery systems companies in the northeast, supplying superior service for all of your service and logistical needs.

With three generations of family ownership, service isn't just part of our name...its our business.
